NOTICE OF INTENT TO SUSPEND,
STIPULATION AND FINAL ORDER
SUSPENDING CERTIFICATE OF
AUTHORITY

Case No. INS 02-05-004

STIPULATION

The Director of the Department of Consumer and Business Services (Director) proposes to suspend the certificate of authority of Northwestern National Casualty Company (Northwestern National), pursuant to ORS 731.418. Northwestern National stipulates that it has, by receipt of this document, received Notice of Intent to Suspend. Northwestern National enters into this stipulation to conclude this matter without further administrative or judicial proceedings, pursuant to ORS 183.415(5).

Highlands admits to and agrees with the following:

Findings of Fact

1.

Since January 1, 1945, Northwestern National, a Wisconsin corporation, has been issued an Oregon certificate of authority pursuant to ORS 731.402. The company is authorized to transact property, casualty including workers' compensation, marine and transportation, and surety insurance within the state of Oregon.

2.

Northwestern National reported policyholder surplus totaling \$5,231,328 as of December 31, 2001. ORS 731.554 requires that Northwestern National maintain minimum capital and

surplus of \$3,000,000. Thus, Northwestern National had \$2,231,328 in excess of the minimum required capital and surplus. Fifty percent of that amount is \$1,115,664. In 2001, Northwestern National's net operating loss was \$55,428,828, an amount in excess of \$1,115,664.

Conclusions of Law

ORS 731.418(1)(b) provides that the Director may suspend an insurer's certificate of authority if an insurer is using such methods and practices in the conduct of its business as to render its further transaction of insurance hazardous or injurious to its policyholders or the public. OAR 836-013-0110 specifies conditions the Director may consider in determining whether the continued operation of an insurer may be hazardous to the public, its insureds or its creditors. One such standard, OAR 836-013-0110(6), is whether the insurer's operating loss in the last 12-months (or any shorter period) is greater than 50% of the insurer's capital and surplus in excess of the amount of the minimum required capital and surplus.

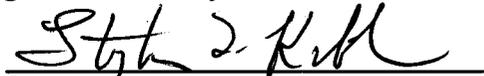

With regards to Northwestern National, its operating loss for the 12-month period ending December 31, 2001, was \$55,428,828, which exceeds 50% of Northwestern National's capital and surplus in excess of the minimum amount required (or \$1,115,664). For this reason, Northwestern National is in such a condition as to render its further transaction of insurance in this state hazardous or injurious to its policyholders or the public.

Stipulation and Waiver

The below undersigned, Stephen Lee Kibblehouse, Chief Executive Officer, Northwestern National Casualty Company, having read and reviewed the above findings of fact and conclusions of law and having further read the order which follows, does understand that the findings of fact, conclusions of law and this stipulation and waiver embody the full and complete agreement between Northwestern National and the Oregon Insurance Division. Northwestern

National further understands that, pursuant to ORS 731.418, it has the right to a hearing in this matter; it has a right to be represented by legal counsel at such hearing; and it has a right to seek judicial review from any order adverse to it. Northwestern National freely and voluntarily waives its right to a hearing on this matter, to representation by counsel at such hearing and to seek judicial review from any order adverse to it.

Northwestern National Casualty Company hereby agrees and stipulates to the above findings of fact and conclusions of law and agrees to the entry of the order that follows.

Stephen Lee Kibblehouse,
Chief Executive Officer
Northwestern National Casualty Company
Date: 5/21/02
