Re: Party: ODS Health Plan, Inc.  
Case No.: INS 03-08-014

Dear Mr. Bikales:

As you may recall, on October 24, 2003, we issued a stipulation and final order assessing the party a civil penalty, and then suspending a portion of the civil penalty subject to the results of a follow up market conduct examination of the party. The order stated "If the Insurance Division finds that ODS has complied with [certain] recommendations [specified in the order], then the suspended portion of the civil penalty shall be withdrawn."

Subsequently, we conducted a follow up market conduct examination as of September 30, 2004 and issued a final report of the examination. The report found, in relevant part, that the party complied with the specified recommendations during the period examined.

Therefore, the suspended portion of the civil penalty is withdrawn.

Thank you for your company's cooperation in this process.

If you have any questions or I can be of any other assistance, please contact me.

Sincerely,
