

requires the insurer to annually certify to the director certain information about their OIGA and recoupment assessments. OAR 836-031-0855(8) requires a member insurer to file their certification on a form specified by the director by June 1 of each year following the completion of a 12-month recoupment assessment period referred to in OAR 836-031-0855(6). At all relevant times, ICNA was a member insurer of OIGA, was assessed by OIGA, assessed its policyholders, and completed a recoupment assessment period. For 2004 only, the director extended the due date from 6/1/05 to 11/2/05. Thus, ICNA was required to file their certification for 2004 by 11/2/05. However, ICNA filed their certification on 11/28/05, 26 days late.
