Northern Assurance desires to conclude this proceeding without a hearing by entering into this stipulation pursuant to ORS 183.417(3).

Northern Assurance waives all rights relative to an administrative hearing and judicial review thereof.

Northern Assurance stipulates to the following facts, conclusions, action, and to the issuance of a final order incorporating this stipulation.

Facts and Conclusions

Licensing Information

Northern Assurance has been licensed in Oregon as a foreign insurer since 12/31/89. Northern Assurance's last recorded principal business address is located in Canton, Massachusetts.

Filed OIGA Recoupment Assessment Certification Late

Northern Assurance is subject to enforcement action pursuant to Oregon Administrative Rules (OAR) 836-031-0855(8) because of the following circumstances. ORS 734.550 requires a person that is licensed in Oregon as an insurer and authorized to transact property and casualty insurance to be a member of the Oregon Insurance Guaranty Association (OIGA). ORS 734.570(3) requires OIGA to assess its member insurers an amount necessary to pay OIGA's expenses. If OIGA assesses its member insurers, then ORS 734.579(1) requires a member insurer to recoup the assessment from its insureds, unless OAR 836-031-0855 permits the insurer to do otherwise. If a member insurer recoups the assessment from its insureds, then ORS 734.579(2)

requires the insurer to annually certify to the director certain information about its recoupment assessment. OAR 836-031-0855(8) requires a member insurer to file a certification on a form specified by the director by June 1 of each year following the completion of a 12-month recoupment assessment period referred to in OAR 836-031-0855(6). At all relevant times, Northern Assurance was a member insurer of OIGA, was assessed by OIGA, recouped the assessment from its insureds, completed a recoupment assessment period, and filed its certification. Northern Assurance was required to file its certification for 2008 by 6/1/09. Northern Assurance filed its certification for 2008 on 6/23/09, 22 days late.

Action

Pursuant to ORS 731.988(1), Northern Assurance is assessed a civil penalty of \$2,200.00.
