Filed OIGA Recoupment Assessment Certification Late

Camden Fire is subject to enforcement action pursuant to Oregon Administrative Rules (OAR) 836-031-0855(8) because of the following circumstances. ORS 734.550 requires all insurers that are licensed in Oregon as insurers and authorized to transact generally property and casualty insurance to be members of the Oregon Insurance Guaranty Association (OIGA). ORS 734.570(3)

requires OIGA to assess its member insurers an amount necessary to pay OIGA's expenses. If OIGA assesses its member insurers, then a member insurer shall either recoup the assessment from its insureds pursuant to ORS 734.579(1), or expense any unrecouped assessment pursuant to OAR 836-031-0855(7), or carry over to the following 12-month period described in OAR 836-031-055(6) any unrecouped assessment pursuant to OAR 836-031-0855(11). However, if a member insurer chooses to recoup its assessment from its insureds, it may not recoup more than its assessment. If a member insurer recoups more than its assessment, then it must either payback the excess to insureds or carry over the excess pursuant to OAR 836-031-0855(9). If a member insurer carries over the excess, then it must either payback the excess to insureds, or, if permitted, pays the excess to OIGA pursuant to OAR 836-031-0855(10). A member insurer must annually certify to the director the total amount recouped if any during the previous year and that any amount recouped does not exceed the assessment pursuant to ORS 734.579(2). A member insurer must file the certification, on a form prescribed by the director, by June 1 of each year pursuant OAR 836-031-0855(8). At all relevant times, Camden Fire was a member insurer of OIGA, was assessed by OIGA, and either recouped, or expensed, or carried over, some or all of the assessment. Camden Fire was required to file its certification for 2011 by 6/1/12. Camden Fire filed its certification for 2011 on 6/11/12, eleven days late.
