Re: 2018 filing year deadlines

In order to meet Center for Medicaid and Medicare Services' (CMS's) deadlines for final plan data submission, the Division of Financial Regulation (DFR) has prepared the following timeline for submission of form, rate, and binder filings. The filing deadlines apply to health benefit plans and exchange certified pediatric dental offered on-exchange and off-exchange. Dental products that will not be exchange certified are not required to follow this timeline. Because the binders for health benefit plans are due before the health rates are, the rate templates need to have place holder data in them in order to be transferred correctly to CMS.

DFR doesn't anticipate any major changes to the timeline, however, we will respond and adjust accordingly to changes in federal due dates. Carriers with small group transitional plans may file updated forms at anytime, however priority will be given to ACA form review.

DFR will monitor changes to the CMS deadlines and provide any necessary updates to the timeline as soon as possible.
