**RULE SUMMARY**

Existing rules of the Department of Consumer and Business Services establish the steps that a rental company with a limited license to sell rental insurance must take to educate and monitor employees selling insurance under the limited license. Enrolled House Bill 2958 (2015 Legislative Session) allows a rental company to identify a "designated agent" to sell rental insurance under the limited license of the rental company, beginning January 1, 2016. The amendments to those rules add references to a designated agent in the rental vehicle limited license rules to reflect the changes made during the 2015 Legislative Session. The amended rules require that the rental company must provide the same training and oversight to a designated agent as the rental company provides for employees."

In addition, a new rule defines "designated agent."
