

Risk Purchasing Groups (RPG) or Risk Retention Groups (RRG) (08/09/10)

The Oregon Division of Financial Regulation Rates & Forms Unit does not review rates or review and approve forms for Risk Purchasing Groups (RPG) or Risk Retention Groups (RRG)– except as described below:

As a courtesy and for the convenience of the group, the Oregon Division of Financial Regulation has agreed to review Oregon Medical Association Risk Purchasing Group filings on a file and use basis. Even though filing is not required, all forms must comply with insurance regulations and provide mandated coverage or benefits required by Oregon law.
