Re: 2016 filing deadlines

In order to meet Center for Medicaid and Medicare Services' (CMS's) deadlines for final plan data submission, the Oregon Insurance Division (OID) has established these timelines. The timeline below addresses rate and binder filings and applies to health benefit plans and exchange certified pediatric dental offered on-exchange and off-exchange. *Dental products that will not be exchange certified are not required to follow this timeline. Form and rate filing deadlines that have passed have been removed from this document.* *Carriers with small group transitional plans may file updated forms at anytime.

Changes in this version: added small group quarterly rate filing dates for September 30, December 29 and March 30; removed due dates April 30 through July 1
