Cardif stipulates to the following facts, conclusions, action, and to the issuance of a final order incorporating this stipulation.

Facts and Conclusions

Licensing Information

Cardif has been licensed in Oregon as a foreign insurer since 8/13/63. Short Name's last recorded principal business address is located in Philadelphia, Pennsylvania.

Filed OIGA Recoupment Assessment Certification Late

Cardif is subject to enforcement action pursuant to Oregon Administrative Rules (OAR) 836-031-0855(8) because of the following circumstances. ORS 734.550 requires all insurers who are licensed in Oregon as insurers and authorized to transact generally property and casualty insurance to be members of the Oregon Insurance Guaranty Association (OIGA). ORS 734.570(3) requires OIGA to assess from time to time as needed their member insurers an amount necessary to pay OIGA's expenses. If OIGA assesses their member insurers, then ORS 734.579(1) requires a member insurer to assess their policyholders an amount necessary to recoup the OIGA

assessment. If a member insurer assesses their policyholders, then ORS 734.579(2) requires the insurer to annually certify to the director certain information about their OIGA and recoupment assessments. OAR 836-031-0855(8) requires a member insurer to file their certification on a form specified by the director by June 1 of each year following the completion of a 12-month recoupment assessment period referred to in OAR 836-031-0855(6). At all relevant times, Cardif was a member insurer of OIGA, was assessed by OIGA, assessed its policyholders, and completed a recoupment assessment period. For 2004 only, the director extended the due date from 6/1/05 to 11/2/05. Thus, Cardif was required to file their certification for 2004 by 11/2/05. However, Cardif filed their certification on 1/24/06, 83 days late.
