Failed to Notify Enrollee of Opportunity to File Complaint with Director

UnitedHealthcare is subject to enforcement action pursuant to ORS 743.804(3)(e) because of the following circumstances. ORS 743.804(3) requires an insurer that offers a health benefit plan, as defined in ORS 743.730(19), in this state to have a timely and organized system for resolving grievances and appeals of enrollees, as defined by ORS 743.730(14). ORS 743.804(3)(e) requires the system to include, among other things, a notice, in all written grievance and appeal decisions required by ORS 743.804(3)(c) and ((f)(C), containing the information required by

OAR 836-053-1110 informing the enrollee who filed a grievance or appeal that the enrollee may file a complaint with the director. At all relevant times, UnitedHealthcare offered health benefit plans in Oregon. From 8/1/06 to 6/19/09, in 138 instances, UnitedHealthcare sent to an enrollee a written appeal decision that did not inform the enrollee that the enrollee could file a complaint with the director. Failed to Notify Claimant of Additional Time Needed to Accept or Deny Claim

UnitedHealthcare is subject to enforcement action pursuant to OAR 836-080-0235(4) because of the following circumstances. OAR 836-080-0235(4) requires an insurer that receives from an insured a proof of loss of a claim but needs more time to investigate the claim, to notify the insured within 30 days after receiving the proof of loss, and every 45 days thereafter while the investigation remains incomplete, why the insurer needs more time to investigate the claim. From 8/1/06 to 10/2/09, in 758 instances, UnitedHealthcare received from an insured a claim for health insurance benefits, needed more time to investigate the claim, and sent to the insured within 30 days an initial notice requesting information, but failed to send every 45 days thereafter an additional notice explaining that UnitedHealthcare did not receive but needed the information.
