STATE OF OREGON
DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
INSURANCE DIVISION

In the Matter of the Application of GEORGE N. PARRIS, III for an Oregon Resident Insurance Producer License	)	FINAL ORDER
	)	Case No. INS 15-03-008
GEORGE N. PARRIS, III, Respondent.	)	

On July 20, 2015, the Director of the Oregon Department of Consumer and Business Services ("Director"), by and through the Insurance Division ("Division"), properly served notice ("Notice") on George N. Parris, III ("Parris") that the Director intended to deny Parris' application for an Oregon resident insurance producer license ("License") pursuant to ORS 744.074(1)(a) for providing incomplete information in the license application.

The Notice offered Parris an opportunity for a hearing, if requested within 60 days of service of the Notice. The Notice further informed Parris that if a hearing was not conducted because Parris did not timely request a hearing or otherwise defaulted, then the designated portion of the Director's file and all materials submitted by Parris in this case would automatically become part of the contested case record for the purpose of proving a *prima facie* case.

The Director did not receive from Parris a request for a hearing and did not conduct a hearing.

The Director finds that the record of this proceeding proves a *prima facie* case.

NOW THEREFORE, after considering the relevant portions of the Director's file relating to this matter, the Director enters the following Order:

FINDINGS OF FACT

1. Parris applied for a License on or about December 21, 2014. Parris' application indicated that he had been charged with or convicted of a misdemeanor crime. Parris' background check showed an unresolved misdemeanor charge.

2. After reviewing Parris' application, on January 12, 2015 the Division made a written request for additional information about Parris' criminal history, including documents demonstrating the resolution of any criminal charges. The Division requested the materials to be provided by February 2, 2015. Parris did not respond to the Division's request.

ULTIMATE FINDINGS OF FACT

1. Parris did not comply with the Division's reasonable request for additional information, including documents necessary to verify the information contained in Parris' application regarding his criminal history.

2. Because Parris failed to provide all of the required information with his application, his application is incomplete.

CONCLUSION OF LAW

Pursuant to ORS 744.074(1)(a), the Director may refuse to issue the License to Parris because there is incomplete information in the license application.

ORDER

Pursuant to ORS 744.074(1)(a), Parris' application for a resident insurance producer license is hereby denied.

You are entitled to judicial review of this order in accordance with ORS 183.482. You may request judicial review by filing a petition with the Court of Appeals in Salem, Oregon, within 60 days from the date this order is served.
