STATE OF OREGON
DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
DIVISION OF FINANCIAL REGULATION

In the Matter of:	Case No. INS-16-0003
TODD E. GREER,	FINAL ORDER
Applicant.	

On February 16, 2016, the Director of the Department of Consumer and Business Services ("Director"), by and through the Division of Financial Regulation, formerly known as the Insurance Division ("Division"), properly served notice ("Notice") on Todd E. Greer ("Applicant") that the Director intended to issue an order denying Applicant's application for a nonresident insurance producer license.

The Notice offered Applicant an opportunity for a hearing if requested within 60 days of service of the Notice. The Notice further informed Applicant that if a hearing was not conducted because Applicant did not timely request a hearing or otherwise defaulted, then the designated portion of the Division's file and all materials submitted by Applicant in this case would automatically become part of the contested case record for the purpose of proving a prima facie case.

The Director did not receive from Applicant a request for a hearing and did not conduct a hearing.

The Director finds that the record of this proceeding proves a prima facie case.

NOW THEREFORE, after considering the relevant portions of the Division's file relating to this matter, the Director finds and orders as follows.

FINDINGS OF FACT

The Director FINDS that:

1. Applicant applied for an Oregon nonresident insurance producer license

Salem, OR 97301-3881
Telephone: (503) 378-4387

("License") on or around October 14, 2015.

2. As part of the application process, Applicant completed and submitted to the Division an application form indicating that he had never been named or involved as a party in an administrative proceeding.

3. During review of the application, the Division learned that Applicant was involved in an administrative proceeding in Missouri that resulted in denial of Applicant's license on March 17, 2015.

4. On October 29, 2015, the Division sent a letter to Applicant requesting a copy of the Missouri administrative order and an explanation of the circumstances surrounding the incident. The Division set a response deadline of November 30, 2015. Applicant did not respond to the Division's request.

5. On February 16, 2016, the Division properly served notice on Applicant that the Director intended to deny Applicant's application for a nonresident insurance producer license. Applicant had 60 days to timely request a hearing. The Division did not receive a request for hearing from Applicant.

CONCLUSIONS OF LAW

The Director CONCLUDES that:

6. Accurate information about Applicant's history of administrative action is material to the Director's decision whether to issue a License.

7. Applicant's representation in his application that he had never been named or involved as a party in an administrative proceeding was incorrect, misleading, incomplete or materially untrue.

8. Under ORS 744.074(1)(a), the Director may refuse to issue an insurance producer license and may take other actions authorized by the Insurance Code in lieu thereof or in addition thereto, if an applicant provides incorrect, misleading, incomplete or materially untrue information in the license application.

9. Applicant's failure to timely respond to the Division's request for information to complete the application has resulted in the application being incomplete.

ORDERS

Now, therefore, the Director issues the following Orders:

10. As authorized by ORS 731.252(1), the Director ORDERS Applicant to CEASE AND DESIST from violating any provision of the Insurance Code or the administrative rules promulgated thereunder.

11. The Director, pursuant to ORS 744.074(1)(a), hereby DENIES Applicant's application for a nonresident insurance producer license.

SO ORDERED this 25th day of April, 2016.
