| HEALTH REPUBLIC INSURANCE COMPANY | ) ORDER TERMINATING SUPERVISION |
| | ) |

On October 21, 2015, the Director, Department of Consumer and Business Services (DCBS), had reasonable cause to believe and determine that Health Republic Insurance Company (HRIC), an Oregon health care service contractor, was in such condition that its continuation of business in the manner currently being conducted was hazardous to the public or to its insureds. The Director, therefore, issued an order of immediate supervision, Case No. INS 15-10-018. The order set forth the requirements to abate the conditions set forth in the order and placed HRIC under the immediate supervision of the Director for 60 days. The Director issued an extension order on the following dates: December 17, 2015; February 23, 2016; April 18, 2016; June 09, 2016; August 08, 2016; October 12, 2016; December 06, 2016; February 13, 2017; April 06, 2017; June 02, 2017; August 03, 2017; October 02, 2017; December 05, 2017; February 01, 2018; April 03, 2018; June 12, 2018; August 14, 2018; October 02, 2018; December 06, 2018; February, 01, 2019; April 01, 2019; June 07, 2019; August 01, 2019; and October 02, 2019.

**Determinations**

Pursuant to ORS 734.047(2), the Director determined that the conditions giving rise to the supervision still existed at the end of the supervision periods, as noted above.

On October 30, 2019, HRIC sent a request to surrender its Certificate of Authority to transact insurance as a Health Care Service Contractor pursuant to ORS Chapter 750. The Director has determined that the HRIC's financial position and current business plan is no longer in such condition that its continuation of business in the manner currently being conducted is hazardous to the public or to its insureds, and in order to surrender the Certificate of Authority, the Order of Supervision must first be terminated.
