DIVISION OF FINANCIAL REGULATION

In the Matter of: JIMMY R. BUMPER, Respondent.	Case No. INS-17-0027 FINAL ORDER TO CEASE AND DESIST, DENIAL OF LICENSE RENEWAL APPLICATION AND REVOCATION OF LICENSE, ENTERED BY DEFAULT

On March 16, 2017, the Director of the Department of Consumer and Business Services ("Director"), by and through the Division of Financial Regulation ("Division"), properly served Notice on Jimmy R. Bumper ("Respondent") proposing to deny Respondent's nonresident insurance producer license renewal application and revoke his nonresident insurance producer license.

The Notice offered Respondent an opportunity for a hearing, if requested within 60 days. The Notice further informed Respondent that if a hearing was not conducted because Respondent did not timely request a hearing or otherwise defaulted, then the designated portion of the Director's file and all materials submitted by Respondent in this case would automatically become part of the contested case record for the purpose of proving a *prima facie* case.

The Director did not receive from Respondent a request for a hearing and did not conduct a hearing.

The Director finds that the record of this proceeding proves a *prima facie* case.

The Director makes the following Findings of Fact, Conclusions of Law, Orders, and Notice of Right to Judicial Appeal.

FINDINGS OF FACT

The Director FINDS that:

1. Respondent had been licensed for a health line of authority in the state of Oregon since October 30, 2014 until the license expired on January 31, 2017. Respondent's national producer number is 17192411.

2. On October 28, 2016, Respondent applied to amend his nonresident insurance producer license ("License") to add life insurance as a line of authority.

3. As part of the application process, Respondent completed and submitted to the Division of Financial Regulation ("Division") an application form to amend his license indicating that he had never been named or involved as a party in an administrative proceeding.

4. On November 14, 2016, Respondent applied for a renewal of his License.

5. As part of the application process, Respondent completed and submitted to the Division a renewal application form indicating that he had never been named or involved as a party in an administrative proceeding.

6. During the review of Respondent's applications to amend and renew, it was discovered that he had been the subject of an administrative action in Wisconsin in 2015 resulting in the denial of his license. The administrative action would have required disclosure within 30 days.

7. On November 17, 2016, the Division sent a letter to Respondent requesting a copy of the administrative order and explanations surrounding the incident. On February 8, 2017, the Division sent another email and set a response deadline of February 22, 2017. Respondent did not respond to the Division's request.
