FINDINGS OF FACT

The Director FINDS that:

1. Respondent is a Florida resident and was, at all times relevant to this matter, licensed in Oregon to work as a securities broker-dealer salesperson. The Central Registration Depository ("CRD") number for Respondent is #4368837. In order to become licensed as a salesperson in Oregon, Respondent was required to complete the Central Registration Depository ("CRD") Uniform Application for Securities Industry Registration or Transfer ("Form U4"). The Form U4 includes Disclosure Reporting Pages

("DRP"), wherein Respondent is required to disclose certain information identified therein, including, but not limited to, the "Financial Disclosure" information set forth in Sections 14K through 14M of the DRP. Respondent, as a licensee, has a responsibility to keep the information in the DRP continually updated.

2. Respondent completed a Form U4, including the Financial Disclosure section, when registering with employers at the time of his initial licensing in Oregon on January 21, 2011.

3. Section 14M of the Form U4 asks: "Do you have any unsatisfied judgments or liens against you?" On or about September 30, 2011 a lien was filed by a private creditor against Respondent in an amount over $1,000.

4. Respondent did not file an amendment to his Oregon license application reporting the lien in response to the question in Section 14M of the Form U4, until May 10, 2013, approximately 588 days after the filing of the lien.

5. Section 14K(1) of the Form U4 asks in relevant part: "Within the past 10 years: * * * have you made a compromise with creditors[?]"

6. On or about July 23, 2013, Respondent entered into a compromise with a bank in the short sale of his home wherein his mortgage loan was reduced by approximately $86,000. The compromise was not reported in Form U4 until March 6, 2015, approximately 591 days after the short sale.

7. On or about January 8, 2015, Respondent entered into a compromise with a bank in the short sale of his home wherein his mortgage loan was reduced by approximately $153,000. The compromise was not reported in Form U4 until March 6, 2015, approximately 149 days after the short sale.
