

EXTENSION OF HEALTH INSURANCE ORDER

The Director of the Department of Consumer and Business Services for the State of Oregon (“Director”), acting under the authority in ORS 731.870, issued a Health Insurance Order effective May 5, 2020 through June 3, 2020, directing all health insurers transacting insurance in Oregon, with the exception of accidental death and dismemberment, disability, and long term care coverage, to extend deadlines for reporting claims, institute grace periods for premium payment, suspend cancellations and non-renewals, and provide other specified relief to Oregon insureds.

The Director has determined that the COVID-19 outbreak in Oregon, which resulted in a state of emergency,¹ continues to substantially interfere with the public’s ability to carry on its normal course of business. The Director, therefore, extends the duration of the Health Insurance Order to be in force through July 3, 2020.

SO ORDERED this 3rd day of June, 2020.

Andrew Stolfi, Acting Director and Insurance Commissioner
Department of Consumer and Business Services
