

STATEWIDE RECORD
QUARTERLY HEALTH ENROLLMENT REPORT - Exemption Request

All requests are submitted through iReg at:

<https://www4.cbs.state.or.us/exs/ins/ireg/index.cfm>

Refer to Quarterly Health Enrollment Report Instructions, Sections A-F

Check all that apply:

- No Oregon lives. **Note:** Oregon lives are reported regardless of where the group or individual policy is issued. Checking this box means you offer reportable types of insurance, but covered no Oregon lives at the close of first quarter, or you provide administrative services to self-insured medical plans that covered no Oregon lives.
- Disability income or short-term disability coverage only
- Accident only
- Automobile insurance only
- Specific disease or condition only
- Supplemental medical plans (such as plans designed to cover deductibles and coinsurance)
- Medicare Part D only
- Prescription drug and pharmacy benefit management only
- Long-term care coverage only
- Credit coverage only
- Hospital income coverage or other independent, noncoordinated fixed indemnity insurance only (plans that pay a specified dollar amount per day)
- Workers' Compensation
- Other. If this is checked, please provide your reason in the comment section within the reporting system. If no reason is provided, the exemption will not be granted.

Other reason:

NOTE: Exemptions are granted on a calendar year basis and are filed by the first quarter reporting due date. Newly licensed companies exempt from reporting will file by the due date for the quarter during which the license is effective. Companies exempt for a calendar year that cover Oregon lives in a subsequent quarter of that calendar year **must** submit a Quarterly Enrollment Report for the quarter in which the status change first occurred.
