Dear Director:

In accordance with your instructions and guidelines in the National Association of Insurance Commissioners (NAIC) Examiners Handbook, pursuant to ORS 731.300 and 731.302, respectively, we have examined the business affairs and financial condition of

**LIFEWISE HEALTH PLAN OF OREGON, INC.
DBA LIFEWISE HEALTH PLAN OF OREGON
7001 220TH STREET SW
MOUNTLAKE TERRACE, WASHINGTON 98043**

NAIC Company Code 84930

Hereinafter referred to as the "Company." The following report is respectfully submitted.

SCOPE OF EXAMINATION

We have performed a regular, multi-state, full-scope financial examination of LifeWise Health Plan of Oregon, Inc. dba LifeWise Health Plan of Oregon as of December 31, 2018, covering the four year period then ended. This examination was conducted as part of the coordinated examination of the Premera Blue Cross and LifeWise Health Plan of Washington, under the lead of the Washington Office of the Insurance Commissioner. The last examination of this health care service contractor was completed as of December 31, 2014. This examination covers the period of January 1, 2015, through December 31, 2018.

We conducted our examination pursuant to ORS 731.300 and in accordance with ORS 731.302(1) which allows the examiners to consider the guidelines and procedures in the NAIC *Financial Condition Examiners Handbook*. The handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

This examination report includes significant findings of fact, as mentioned in ORS 731.302 and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report, but separately communicated to other regulators and the Company.

On April 30, 2009, a second amendment took effect listing Premera as a limited purchasing agent for all its affiliates. PBC maintains an activity based cost accounting system, whereby operating expenses are accumulated in accordance with GAAP. Costs are then allocated at the account level within each department number, and settlements shall occur within 60 days of the date at which PBC and any affiliate incurs such costs.

A second amendment to the agreement was executed as of June 30, 2011, to correct the automatic renewal of the terms. The agreement was amended effective December 31, 2014 to include administrative and health care services for the Company's Qualified Health Plans that are issued or recognized by each governmental exchange pursuant to contracts with the Centers for Medicare and Medicaid Services (CMS).

Services Agreement

Effective February 1, 2005, Calypso Healthcare Solutions entered into an agreement with the Company to provide investigation, recovery, and preventative services related to the overpayment of claims. The Company paid a monthly fee equal to 13% of the amounts recovered. The agreement took effect for three years started on February 1, 2005, and automatically renewed each year thereafter. The agreement was amended effective March 31, 2014 to require the Company to reimburse Calypso for any and all costs, charges and expenses incurred under the agreement in accordance with the Intercompany Agreement (Allocation of Costs) dated January 10, 1994. The agreement was amended effective September 22, 2014 to include a Business Associate Addendum related to the Health Insurance Portability and Accountability Act (HIPAA) and protected personal information (PPI), and a Qualified Health Plan Addendum was added effective December 31, 2014.

EveryMove developed a web-based, fully functional member and consumer engagement system hosted on EveryMove's server. The agreement allowed parties to the agreement to use the system. The agreement was terminated on July 15, 2018.

FIDELITY BOND AND OTHER INSURANCE

Premera Group's primary coverage for up to \$10,000,000 per occurrence, \$20,000,000 aggregate, after a \$350,000 deductible, and an additional excess follow form for \$10,000,000 per occurrence and \$20,000,000 aggregate against losses from acts of dishonesty and fraud by its employees. This fidelity bond coverage met the coverage recommended by the NAIC. Other insurance coverages protect the Company from fiduciary liability and general liability in amounts that were determined to be sufficient. In addition, the group has coverage for cybersecurity and breach.

TERRITORY AND PLAN OF OPERATION

The Company is authorized to write individual and group health insurance policies in Oregon. It is also licensed in Idaho, but does not write any business there. Prior to a voluntary runoff, it issued accident and health, dental, and vision to both groups and individuals and Medicare supplement insurance policies to individuals. These coverages provided protection, after a deductible, at a usual and customary rate for covered indemnity services, or at a negotiated rate for covered preferred provider services. Business was written through a combination of licensed, independent agents, and salaried representatives. Direct premium written in 2018 was \$49,861.

During the last five years, the Company reported total enrolled members as follows:

<u>Line of Business</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
Individual hospital & medical	15,276	37,577	13,325	-	-
Group hospital & medical	23,942	20,080	11,393	-	-
Medicare Supplement	1,012	888	689	-	-
Dental Only	<u>6,298</u>	<u>7,462</u>	<u>2,138</u>	-	-
Total Enrollment	<u>46,528</u>	<u>66,007</u>	<u>27,545</u>	=	=

Since 2004, group premiums and group memberships have been experiencing a declining trend due to increased competition and unfavorable economic conditions, which have resulted in net underwriting losses. The Company took steps to improve their financial position, including significant premium rate hikes effective January 1, 2016, and capital contributions from the parent (Premera Blue Cross). However, these actions were not sufficient to correct the Company's financial condition.

On April 21, 2016, the Company announced it was discontinuing the offer and renewal of all individual and group policies, including Medicare supplement policies, and withdrawing from the Oregon market. The Company discontinued Medicare supplement policies effective July 1, 2016. The Company remained on the individual market exchange through the end of 2016, and discontinued plans effective December 31, 2016. Groups with effective dates of October 1, 2016 and prior were allowed to choose to renew for one more plan year. All existing policies renewing November 1, 2016 or after were discontinued at the end of their applicable plan year. As of December 31, 2017, the Company had no active policies. The Company completed its voluntary run-off plan on November 1, 2018.

A combined claims and expense to premium ratio in excess of 100% typically indicates an underwriting loss. The Company reported net underwriting losses in 2014 through 2017. The Company discontinued selling new business at the end of 2016 and began a voluntary run-off, which was completed by the end of 2018.

REINSURANCE

The Company had no assumed or ceded reinsurance at year-end 2018 due to its voluntary runoff status and exit from the Oregon healthcare market.

ACCOUNTS AND RECORDS

In general, the Company's records and source documentation supported the amounts presented in the Company's December 31, 2018, annual statement and were maintained in a manner by which the financial condition was readily verifiable pursuant to the provisions of ORS 733.170. The Company has a system in place to account for unclaimed funds and the Company has filed the reports on abandoned property pursuant to the provisions of ORS 98.352.

The Company no longer maintains an office in the State of Oregon, in violation of ORS 732.245. As a result, the Plan has communicated with the Division of Financial Regulation its plan to wind down its operations and eventually surrender its Certificate of Authority.

On February 5, 2018, the Director of DCBS issued an Order to Cease and Desist regarding the Plan's failure to timely process Changes in Circumstance (CIC) documentation that were received from the Federal Healthcare Exchange. In all, the Division identified 7,280 instances of members of the Exchange whose CIC documentation was not processed within 30 days from the date of receipt, as required by ORS 746.240. Additionally, the Division identified six instances where documents were filed with the Division that contained omissions in membership, incorrect claims amounts, and incorrect amounts of premiums owed, in violation of ORS 731.296. The Department of Consumer and Business Services assessed a \$788,000.00 civil penalty. The Plan consented to the order on January 24, 2018.

STATUTORY DEPOSIT

As of the date of the examination, the Company maintained a deposit with the Oregon Division of Financial Regulation, Department of Consumer & Business Services, totaling \$1,000,000 in accordance with the Idaho Insurance Code Section 41-316(2)(a)(i). The deposit was verified from the records of the Division of Financial Regulation and was properly listed in the 2018 annual statement, Schedule E – Part 3.

COMPLIANCE WITH PRIOR EXAMINATION RECOMMENDATIONS

The prior examination report recommended the Company ensure provisions of its related party arrangement are reviewed annually to verify that the agreements are operating as intended and for the period intended. Also, ensure any changes are reported to the Oregon Division of Financial Regulation in accordance with ORS 732.574. It also recommended any charges and payments made between entities are reviewed in more depth.

The significant agreements still in effect for the Company include the intercompany cost allocation agreement and the subsidiary tax sharing agreement. All of the other agreements have since been terminated, with the exception of the Administrative Services Agreements with Calypso Healthcare Solutions and with LifeWise Administrators. The Company provided the 2018 Annual Registration Statement to the Division of Financial Regulation on April 29, 2019, pursuant to the provisions of ORS 732.552. Included in the filing were a summary of transactions and the intercompany agreements. The 2018 amount allocated to the Company per Cost Allocation Agreement as well as the amount received from all affiliates for the 2018 consolidated tax return per the Subsidiary Tax Allocation Agreement were also included.

SUBSEQUENT EVENTS

No significant subsequent events were noted other than the Company successfully exiting the Oregon Healthcare market and running off remaining claim payments.
