---

Good Evening,

I wanted to reach out to each of you and let you know that the Oregon Fire Chief's Association and Jefferson County Fire & EMS in Madras, Oregon are in full support of the comments that Sabrina Riggs has presented regarding House Bill 3243. The Oregon Fire Chief's Association and my agency have been working with OSAA since the drafting of HB 3243. The suggested language and rules presented in the document emailed to you on August 12, 2025, by Sabrina Riggs also represents our position within the Oregon State Fire Chief's Association.

I appreciate your time and effort in drafting these rules. Please let me know if you have any questions.

Thank you,

Jeffrey Blake  
Fire Chief  
Jefferson County Fire & EMS
