- A breakdown of the rate request – e.g. \$/%x for trend, \$/%x for legislative, \$/%x for uncertainty
- A breakdown of retained premium (how much is going to be kept by the company), and MLR for the last 3 years
- ~~How to access the information in other languages~~
- Executive Compensation
 - ***“Consumers often express concern about the impact of an insurer’s top management compensation on premiums. For 2017, salaries of (COMPANY) senior executives were 0.88 percent of premiums. This represents approximately \$5.32 of a member’s average premium each month.”***
